## Programs Sponsored by the Academy of Fellows

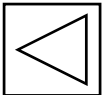

- Annual Golden Eagle Awards Dinner -- Proceeds go to SAME Education and Mentoring Fund
- Awards
  - Golden Eagle for Significant Contributions to National Security
  - Golden Eagle for Significant Contributions to the Engineering Profession
  - Mentoring Award for SAME Fellow
- Selection New Fellows – **Nominations Due September 15**
  - Members with over 10 years in SAME who have demonstrated exceptional service to SAME and to the engineering profession
  - Posts should have a Fellows POC who is responsible for Fellows support to the Post and nomination of members to be Fellows

## Proposed 2008-09 Focus Areas

---

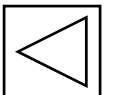

- Identify and promote technical competencies for military engineers through continuing education programs
- Obtain from the uniformed services and industry definitions, goals and programs for sustainability and communicate those to SAME members
- Assist Posts in implementing K-12 outreach programs approved by the Board of Direction

# K-12 Outreach Programs

---

- SAME Engineering and Construction Camps
  - Air Force Camp in Colorado Springs, CO
  - Seabee Camp at Port Hueneme, CA
  - Army Camp at Vicksburg, MS
- Preferred Programs (Approved by SAME Board of Direction)
  - West Point Bridge Competition
  - Boy Scout Engineering, Architecture and Environmental Merit Badges
  - Girl Scout Engineering and Environmental Patches
  - Elementary, Middle School and High School Programs

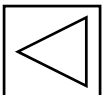

## Investing in SAME's Future— Focus of Post E&M Fund

---

- Primary: Invest in SAME Members
  - Sponsor high school students and Young Member Mentors to Engineering and Construction Camps
  - Support Student Chapters and send college students to Annual Student Leadership Workshop
  - Sponsor Young Member to Post Leaders Workshops
  - Sponsor Young Members and NCOs to annual Joint Engineer Training Conference (JETC)
  - Sponsor NCO to Joint Engineer Senior NCO Symposium
  - Sponsor members for licensure & certifications
- Secondary: Scholarships to college students studying architecture, engineering or related disciplines

## Conclusion

---

- SAME continuing to serve military engineer community and provide value to its members
  - Growing Continuing Education Program
  - Growing Membership (8 percent from 2005-2008)
  - Growing success of annual Joint Engineer Senior NCO Symposium and Joint Engineer Training Conference
- In recent member survey, 75% members responding were Extremely or Very Satisfied with SAME
- SAME is YOUR professional society—get involved!
